## DONATIONS

We are an individual, private rescue. We do not receive funds from any outside sources, and therefore must pay all expenses. Our adoption fee ranges from \$200-400. Any donation or foster home is always welcome, and very much needed. All donations and adoption fees are applied toward caring for the dogs, vet bills, medications, follow-up visits, rechecks and boarding expenses we incur. The adoption procedure includes filling out this application, a phone interview, meet the dog/dogs in-person interview, contract signing (which stipulates the animal **MUST** be returned to us if you can no longer care for him/her), and home visit prior to adopting. This is all to ensure the safety of the dog since we don't know you. Please realize that dogs will need vet care while being adopted, including checkups, boosters or titer tests, heartworm and flea/tick preventative meds, etc. Adopting a pet is a long-term commitment - please consider this before adopting.

Are these terms acceptable to you? If so, please indicate by signing below.
